Strachauer Park A Neighborhood Roadway Improvements

Dear Resident:

CenterPoint Energy is working on gas main and service upgrades throughout Stage I. Questions or concerns regarding this work should be directed to CenterPoint Energy customer service.

Crews continued with sump drain installation this week on West 64thst Street and West 61st Street. Hydrant and gate valve replacement continued on various streets (see photo below) and is near completion for Stage I.

Next week, crews will pick up where they left off installing sump drains. Storm sewer upgrades and roadway grading will continue throughout Stage I.

Please routinely check your front door for time-sensitive notices for water shut-offs, driveway access, etc.

All schedules are weather-dependent and are subject to change.

Communications:

- Have questions or comments regarding this project? Call me at 952-826-0448 or amoe@EdinaMN.gov.
- Emergencies – call 911
- Non-emergencies after hours during the week and weekends, call 952-826-1600.
- Have special events or home improvement projects planned or upgrading your service pipes during construction? Coordinate with me.
- Visit the project site at www.EdinaMN.gov/strachauer_park_a.

Please encourage your neighbors to sign up for City Extra, as this will be our primary means of communication throughout the project. Visit www.EdinaMN.gov/CityExtra for more information.

The City of Edina and Palda & Sons, Inc. thank you for your patience and cooperation throughout the project.

Sincerely,
Alex Moe
Engineering Technician
